BUG FIXES

- Fixed several display issues.
- Fixed an issue with displaying and playing voicemail.
- Fixed an issue with calls and meetings not using the last used audio input/output device.
- Fixed an issue where the audio devices used for Wave would not change automatically after they are disconnected.
- [Android] Fixed an issue with video INVITE signaling not containing STUN/TURN information in some headers.

- [Android] Fixed an issue with crashing after joining and leaving meetings several times.
- [iOS] Fixed an issue with crashing when receiving a call.
- [iOS] Fixed several issues with abnormal audio.
- [iOS] Fixed an issue with updating chat properly when the app is in the background.
- [iOS] Fixed an issue where users are not displayed as offline when they are disconnected from the network.
- [iOS] Fixed an issue with updating chat after updating Company Name on the UCM server.

NEW FEATURES OVERVIEW

This section describes the major new features/changes introduced in the update and provides instructions for usage.

VOICE MESSAGING SUPPORT

Users can now send voice messages to other chat members.

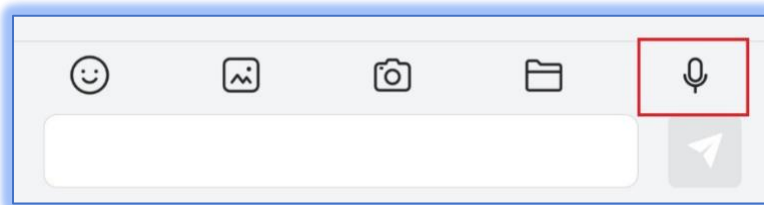

Figure 1 - Voice Messaging

After tapping on that icon, users can then tap and hold on the *Hold to Talk* button to start recording audio.

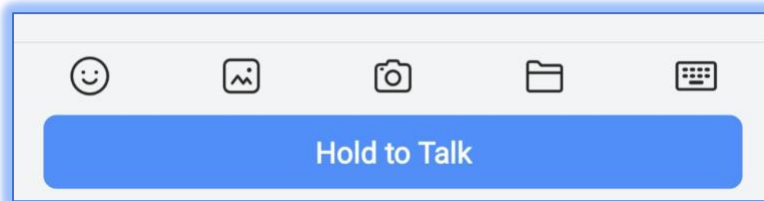

Figure 2 - Hold to Talk

Once recording is done, users can preview the audio before sending it.

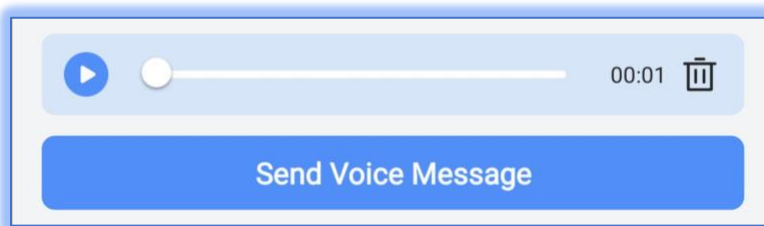

Figure 3 - Voice Messaging Preview

ALLOW GROUP MEMBERS TO INVITE OTHERS

Chat group owners can now allow members of the chat to invite others to it. This setting can be found under the *Group Settings* page of the specified chat.

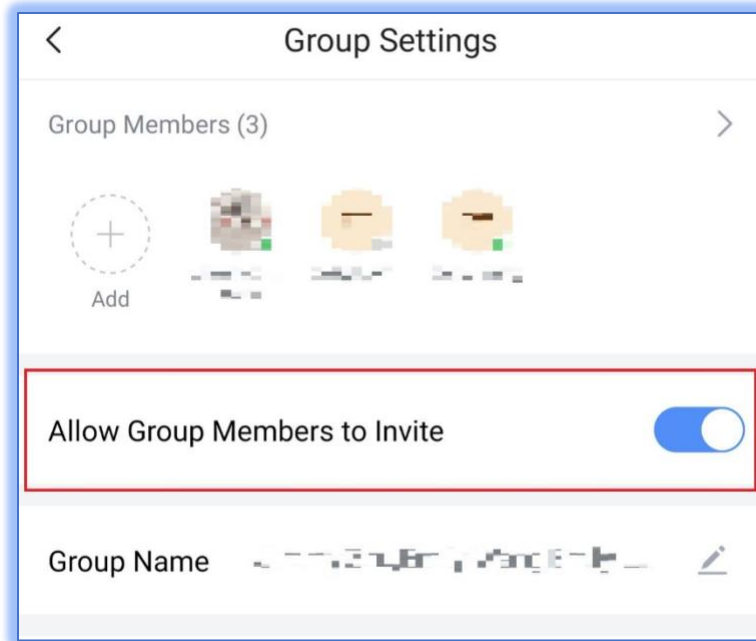

Figure 4 - Allow Group Members to Invite

CREATE GROUP CHAT FOR SCHEDULED MEETING

Users can now create group chats for scheduled meetings. This setting can be found under the *Advanced Settings* section when scheduling a meeting.

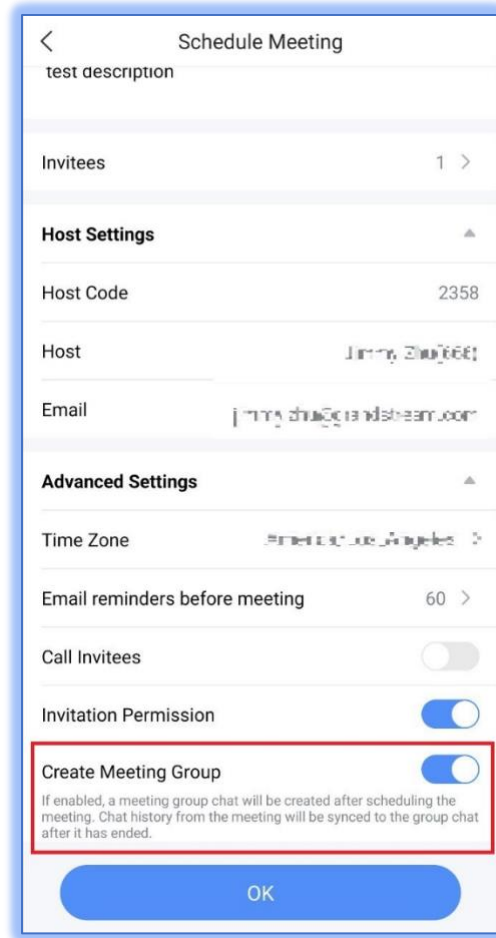

Figure 5 - Create Group for Scheduled Meeting

Any chat history before the meeting will be visible during the meeting, and any new messages created during the meeting will be preserved in the meeting group chat after the meeting has ended.
